Man Saved From Bay By Coast Guard Vessel After Fall From Boat

The U. S. Coast Guard and a private boat operator teamed up over the weekend to rescue a San Francisco boating party after the only experienced sailor aboard a sailboat had been knocked into the bay.

Exhausted and shivering, John Chubria of San Francisco was pulled aboard a rescue cruiser after a coast guard plane had spotted him in the water.

The cabin cruiser, operated by Richard Hoag of San Mateo, then fastened a line to the 24-foot sailboat which was wallowing helplessly in the wind-tossed bay with three women and one man aboard.

According to the coast guard station at Mills Field, a private flyer reported that the sailboat was being tossed about by the high waves, and that a man was in the water near it. An amphibian plane was sent to the rescue, where other boats already were starting on the search.

The plane's crew spotted the boat and the man about three-quarters of a mile south of the San Mateo bridge. As the plane landed in the water, Hoag pulled up in his cruiser and took Chubria aboard.

The other occupants of the sailboat stated that Chubria had been knocked overboard by the boom. They tossed him a life jacket, which sustained him until the rescue, an hour later.

Hoag towed the sailboat to the Coyote Point Yacht Harbor. The accident and rescue took place while a 34-mile-an-hour wind was blowing.

Six Jailed Here On Gaming Charges

Six men were arrested by Redwood City Police Officer Dana Morgan Saturday on charges of gambling.

Chief C. L. (Mickey) Collins said the arrests were made after Morgan found a game of stud poker in progress in the Five Points section at Main and Spruce Sts. When Morgan entered the place, Collins continued, the game was in process and the cash was "on the line."

They were booked, said Collins, on a city ordinance which prohibits all kinds of poker within city limits.

Arrested were Anthony Rondon, 42, 25 Bonita Ave., proprietor; Alfred A. Trujillo, 30, 440 Middlefield Rd., who Collins said was dealing; William Stone, 25, 42 Hazel St.; Vernick S. James, 24, 1681 Main, Mose Crumble, 52, 238 Hemlock St.; and Jessie Medina, 25, 835 Chestnut St.

Collins said the proprietor and the man accused as dealer were bailed out at \$100 apiece and the others released on \$25 bail each.

High School Bond Drive Mapped

Plans for publicizing the \$1,250,000 Sequoia High School bond issue and \$25 special tax were getting under way with a meeting of the Citizen's Bond Committee scheduled for tomorrow night and a public meeting planned for Thursday night in Belmont.

The citizen's committee is to meet at 7:45 o'clock in the Sequoia High School library to work out campaign plans, according to Supt. A. C. Argo.

The committee was organized last week and has between 30 and 35 members, Argo said. John Ball was named chairman.

Argo said that all persons interested in working for the bond issue and special tax are invited to attend the meeting.

Thursday night at 8 o'clock, the Belmont Property Owners Assn. will hold a meeting in the Belmont Community Church to inform citizens about the bond issue. The meeting will be open to the public.

Merritt Hosmer, member of the Sequoia High School Board of Trustees will be present at the meeting to explain the details of the bond issue.

The bond issue and special tax are to be put before voters in the high school district at the May 21 school election.

Belmont-SC Soroptimists Hold Luncheon

The professional and business women of Belmont and San Carlos, who have been selected to join the Soroptimists Club, met at luncheon at The Gables in Belmont, recently. Florence Underwood of Belmont served as chairman; and Elizabeth Liddy of San Carlos, as secretary.

Officers of the San Mateo-Burlingame unit attended the meeting to welcome the Belmont-San Carlos group into the International Association of Soroptimists. Guest speakers included Mrs. Lloyd A. Willmer, Miss Elsie Northrup, Mrs. Ann Brubaker, and Louise Thompson, past president.

First Grass Fire Halted in San Carlos

Grass fire season started prematurely Monday in San Carlos where firemen reported putting out a small grass blaze at Vista St. and San Carlos Ave. at noon.

Firemen said that the flames started in old dry grass from last season under this year's green grass which is not yet dry enough to burn by itself.

New Council Hears of City's Street, Zoning Problems

The new Belmont City Council Monday night got its first taste of a number of street, sewer and zoning problems which have been under discussion at almost every city council meeting for the past two years.

Among the issues discussed by the council were the paving of North Rd., the street problem in the Belle Monti subdivision, the city's responsibility in the maintenance of streets, and problems arising from the flow of water in the city.

During a good part of the four-hour session, councilmen listened to City Engineer Robert Klassen and City Atty. Paul

McCarthy explain the background of the city's street and sewer problems.

The whole thing started when councilmen heard a request from some residents of Casa Bona Ave. for permission to oil part of the street.

Klassen explained that that oil surfacing was below the city's minimum standard for street paving and that such a surface would break down quickly.

Mayor Bayley Kohlmeier and Councilman George Campbell suggested that the council consider lowering the present minimum street standards.

No action was taken by the

council on the recommendation of the city planning commission to rezone four lots on Sixth Ave. from first class residential to second class after a sharp clash developed between several Belmont real estate men and residents of the Bayview subdivision.

The planning commission had approved the request of E. C. Baker 4-2. The two opposing votes were cast by Edward Les Vesconte and Lester Reetz who are now members of the council. A decision on the zoning was postponed until the council's next meeting.

Monday night the council also heard a report that the police

Problems

department had collected \$1099 in fines during April.
Voted to enter into an agreement with the Southern Pacific Co. for the paving of a small area at the Belmont train depot provided the total cost of the job does not exceed \$500.

Ravenswood Teachers Get Wage Boosts

Teachers in the Ravenswood Elementary School District will receive an average increase in salary of \$258 next year under a new salary schedule adopted by the board of trustees and released Saturday by John Cleese, chairman.

Adoption of the schedule by the board at a special meeting climaxed several weeks of negotiations between a teachers' salary committee and the board.

The committee received the proposed schedule from the board at a meeting last Monday. The schedule was then approved by the Ravenswood Teachers Assn. on Tuesday afternoon.

Teachers' salary committee had submitted a proposal which was discussed at the last regular meeting of the board, April 13. The board then set the schedule which was approved by the teachers. The salary committee's proposed schedule would have given teachers an average \$308 increase in salary during the next school year.

The schedule calls for an outlay of \$114,200 for salaries for 38 teachers. The budget for the present school year allowed \$98,940 for 33 teachers.

The total outlay for teachers' salaries, and salaries for substitute teachers, principals and the superintendent will be \$133,000 during 1948-49.

Trial Ordered In Burglary Case

George E. Sullivan, 29-year-old former Palo Alto police clerk, will go on trial June 8, charged with two counts of burglary and one count of attempted burglary.

The trial date was set late Monday by Superior Judge Aylett R. Cotton.

Sullivan, who lives at 650 Berkeley Ave., North Palo Alto, is accused of breaking into the Topper Club, 1980 University Ave., East Palo Alto, and the next-door University Poultry and Egg Market shed. The attempted burglary charge resulted from an attempt to break into the market itself, according to officers.

The North Palo Alto man, who was discharged from the police department after appropriating money left in his charge, last week pleaded not guilty and not guilty by reason of insanity to the burglary counts.

Sam Watts, 58-year-old transient laborer, pleaded guilty yesterday before Judge James L. Atteridge to lewd and lascivious conduct involving a 5-year-old San Bruno girl. The offense was committed on Mar. 20.

Marin to Be Host To Bay Gardeners

Garden clubs, nurserymen, landscape architects and gardeners throughout the Bay Area counties have been invited to participate in the Marin Art and Garden Show in Ross, June 10-13.

The State Division of Fairs and Expositions has made \$6,000 in prizes for floriculture available for the show, according to Herman E. Hein, director. The Centennial theme contrasting art, gardens, and outdoor living of a hundred years ago with that of today has been chosen as the theme.

The annual exhibit of the Marin Society of Artists will be held in conjunction with the show. Marin, noted as an artist's center, is the home of such world-famous artists as Norman Todhunter, Ward Montague, Ida Day Degan, (Red) Raymond, Lillian Kendall, Kay Works and others who will exhibit in the Marin Art and Garden Show.

Donald O'Hair Jr. Sued for Divorce

Mrs. Letitia S. O'Hair of Burlingame Tuesday filed suit for separate maintenance from her husband, Donald L. O'Hair Jr., son of a former San Francisco plumbing firm proprietor.

Mrs. O'Hair accused her husband, a former marine officer, of extreme cruelty.

Claiming that he earned more than \$2000 a month, she asked for "reasonable" maintenance for herself and their 17-month-old son, Donald. She also asked for custody of the child and for a court order restraining O'Hair of disposing of his property.

The couple married in Reno on Feb. 22, 1946. Mrs. O'Hair got a Reno divorce on July 1, 1947, but they remarried last Nov. 15.

Safeway Trims It Before Weighing

We'll give you 2 T-Bone Steaks

(they won't cost you a penny)

if ever you get a SAFEWAY T-Bone not trimmed this money-saving way

SO YOU SAVE MONEY

TOUGH MEAT removed from end of steak by Safeway before we weigh your T-bone on the market scales. It gives you a steak that eats tender in every part

EXCESS BONE and gristle at top end of steak cut off by Safeway before weighing... so you don't pay for these waste parts

EXCESS FAT is trimmed off by Safeway before we weigh the steak. This is another extra step that gives you more good-eating meat for your money

It means more tender, juicy meat in every pound you pay for...a bigger value for your meat dollar at Safeway!

YOU SEE ABOVE how Safeway removes excess waste, fat and bone from T-bone steaks before weighing. And the test-purchase report presented here shows you how important it is to compare trimming as well as price.

We prepare other cuts in similar fashion—each one according to its special requirements. This waste-free cutting is part of Safeway's Guaranteed Meats plan. We regularly trim our meats this way.

When you compare meat prices, remember that Safeway's prices always are on the TRIMMED cut, free of excess bone, waste and fat, ready for cooking.

If ever you're not satisfied that the meat you buy at Safeway is trimmed the money-saving way we say, just show it to

the manager of the Safeway store where you bought it. If your Safeway T-bone steak (for example) is *NOT* trimmed as shown above—you get *TWO* T-bone steaks without a penny's extra cost (and without quibble or argument!)

Safeway buys nothing less than the top government grades of beef (all beef sold at Safeway is U.S. Government graded)... nothing less than the top grades of lamb, pork and veal. More. We hold our meats the full number of days needed to bring out peak flavor and tenderness. And we safeguard their goodness with exact temperature controls.

Come prove for yourself—there's more good-eating at less cost in Guaranteed Meats from Safeway!

Test purchases by Independent Bureau show you can save money on meat

We asked an independent research organization to check methods of trimming meat here.

And we secured proof that it pays you to check trimming as closely as you check price when buying meat.

In 201 representative markets in this area where they bought meat they found a great variation in the way meat is trimmed.

In 95% of the markets other than Safeway, T-bone steaks purchased were not trimmed before weighing.

Had the T-bone steaks been first trimmed and then weighed (as Safeway does), the average saving would have been almost 11¢ per pound. Customers of some of these stores would have saved amounts up to 26¢ per pound.

This survey shows unmistakably that thousands of housewives in this area are paying regular meat prices—which are high enough these days, goodness knows—for waste that is thrown away!

Example: For T-bone steaks purchased UNTRIMMED shoppers paid an average of almost 22¢ more per 2-lb. steak than if these steaks had been trimmed BEFORE weighing. In some markets as much as 52¢ more!

Example: For rib roasts purchased UNTRIMMED shoppers paid an average of over 54¢ more per 6-lb. roast than if these roasts had been trimmed BEFORE weighing.

Example: For rib lamb chops purchased UNTRIMMED shoppers paid an average of over 18¢ more for six chops than if these chops had been trimmed BEFORE weighing.

Example: For legs of lamb purchased UNTRIMMED shoppers paid an average of over 42¢ more per 6-lb. roast than if these roasts had been trimmed BEFORE weighing.

Wherever you buy meat you are entitled to money-savings that result from proper trimming of each cut before it is weighed. Insist that your butcher trim this way. If he refuses, why not buy at a market where this kind of trimming is done?

SAFEWAY GUARANTEED MEATS

*This offer effective at all Safeway markets in this County

Here's why we say WOMEN CAN GO PLACES IN THIS BUSINESS

1. This is a story of a typical Pacific Telephone "career girl." She started as an operator back in the thirties...a good job then, even better now. Today most new operators just out of high school average better than \$35 a week when they start handling calls and many experienced operators earn \$50 a week.

2. She was promoted to supervisor after a few years. Training new girls was an important part of the job...for Pacific Telephone was growing. She enjoyed vacations every year...with pay, of course. And she joined in many local telephone activities. Found telephone people friendly and sociable...on or off the job.

3. She's a chief operator now supervising 70 women...her responsibilities and experience help determine her salary of \$4,500 a year. Many "chiefs" earn more. Two-thirds of our people are women—hundreds have management jobs—five are assistant vice-presidents. Yes, women can go places in this business.

4. Telephone jobs must be good jobs to attract the capable people needed to furnish service. Good pay, steady work and an employee benefit plan give a strong sense of security. Comfortable surroundings, vacations and friendly fellow workers help make work pleasant.

Ralston-Track Crossing Safety Measures Planned

Council action to provide safety measures at the Ralston Ave.-El Camino Real-railroad track intersection was promised Monday night by Mayor Bayley Kohlmeier after Police Commissioner George Campbell announced that new safety precautions were being enforced at the intersection by Belmont police.

Pair Nabs \$200 In Armed Holdup

Two armed men held up and bound the night clerk of the Mission Auto Court in Daly City early Monday morning and walked out with about \$200 in cash.

Fred Parker, 60, of Daly City, was on duty in the office of the auto court when two men entered at about 1:40 Monday morning.

The men said they wanted to rent a cabin, and as Parker turned around to get a key, they stuck guns in his back.

Then they bound Parker's wrists behind him and shoved him into the back office before disappearing with the money.

Parker could give only a vague description of the men. He said both were about five feet eight inches tall and weighed approximately 150 pounds. He also described them as being from 30 to 35 years old, according to Hugh Smith, owner of the court.

Driver Injured In Plunge

Gerard Gersil, 400 El Camino Real, Belmont, 36-year-old employee of the Davey Tree Surgery Co., suffered minor facial injuries Friday night when the small tractor he was driving went out of control and dropped 10 feet down an embankment onto El Camino Real in north Belmont.

The accident occurred at 7:20 p.m., and police called in members of the Belmont Fire Department to help direct the heavy traffic on the highway.

Gersil was taken to Community Hospital by county ambulance where he was treated for facial bruises.

Belmont police cited Wilfred H. May, Belmont contractor who lives at 1801 Notre Dame Ave., Belmont, for failing to heed the siren of the ambulance answering the accident call.

Mayor Appoints 'Commissioners'

An unprecedented action was taken by the Belmont City Council Monday night in the appointment by Mayor Bayley Kohlmeier of three council members as "unofficial commissioners" of the three other political units within the city, the water, fire and school districts.

According to Kohlmeier the councilmen are to attend the meetings of the boards of the three districts as unofficial representatives of the city council in order to keep the council informed of the activities of the other political units.

One of the platform programs of the five new councilmen before the recent city election was the consolidation of the Belmont districts into the city.

The representatives appointed by the council are George Campbell, fire district; Lester Reetz, water district; and Ray Rhodes, school district.

Kohlmeier also appointed two new members to the city planning commission to replace Reetz and Edward Les Vesconte, now members of the city council.

They are Samuel Franks, 1040 Furlong St., a Veterans Administration director; and William Kyle, 2024 Belle Monti Ave., a Belmont insurance man.

Les Vesconte was named by Kohlmeier as council representative on the planning commission.

No action was taken Monday night by the council on a request by the Belmont Recreation Commission for the appointment of a recreation director for the summer although Kohlmeier promised that such an appointment would be made if the city could afford it.

Pres. Truman Disappears From City Hall in Belmont

Belmont city officials Monday night seemed puzzled over the disappearance of a framed picture of President Truman from the Belmont City Hall.

The picture which formerly hung behind the council table at the old city hall on El Camino Real had been moved to the new city hall and placed in the council chamber over the door leading to the police office.

Sometime during the past few days it disappeared.

Members of the new city council and other city officers were unable to explain why the picture was gone, although Mayor Bayley Kohlmeier suggested perhaps someone had taken it as a keepsake. "Must have been a strong Democrat," Kohlmeier said.

Belmont Begins Driving Check

Belmont police are cracking down on persons failing to heed the warning at the Ralston Ave. railroad crossing, Police Chief Stanley Botto announced Saturday morning.

Botto said that the crackdown on violators is the result of the car-train accident Thursday morning at the intersection in which four persons were injured, three of them commuters, waiting on the station platform for a train.

Robert Ballard, 41, Box 73, Pescadero, driver of the vehicle involved in the intersection accident, was cited Friday at Community Hospital for failing to heed the warning signal at the crossing prior to the accident, Botto said.

Friday afternoon Officer George Doyle issued five citations at the crossing while Saturday morning Officer James Moore tagged three motorists.

Motorist Cited By SC Police

San Carlos police early Friday morning arrested Oliver Dibble Jr., 43, Kings Mountain Rd., Woodside, for refusing to sign a traffic citation.

Police charged Dibble with speeding south on El Camino Real at 60 miles an hour at 3:30 a.m. When Dibble refused to sign the citation, officers took him to county jail where he was held in lieu of \$50 bail.

Dibble is to appear before Judge Rupert Johnson.

Boy Scout News

The Southern Dist. Camp-O-Rette will be held on Saturday and Sunday, May 1 and 2 at the H.H. Ranch, west of San Carlos.

Troops must check into camp by patrols, officials reported. All scoring will be done on a patrol basis and each patrol will receive an envelope containing full instructions. Each unit must have an adult leader with them during Saturday night. All equipment and food must be carried in from the check-in station. Trailers and cars will not be allowed to proceed to the camp site to unload.

Ribbons will be presented to all units making top scores in each of the events and units will receive rating certificates.

Emerald Lake Area Police Phone Changed

Duncan FitzGerald, Emerald Lake police chief reported Saturday that the phone number of the Emerald Lake Police Dept. has been changed to EM. 8-3911.

FitzGerald advised residents to phone the police department immediately after seeing or hearing anything suspicious and not wait until the next day to make the report.

He also declared that the Highlands District Improvement Assn. has a standing reward for information leading to the conviction of any person responsible for dumping garbage or refuse within the district.

SHOULDER OF LAMB WITH SPINACH STUFFING
1 pound fresh spinach or chard
2 medium-sized onions, chopped
1 clove garlic, chopped
2 tablespoons oil
3 cups soft bread crumbs, pressed down well into cup
1/4 teaspoon each of sage, thyme, rosemary, marjoram
1 teaspoon salt 1 egg, beaten
3 or 4-pound shoulder of lamb, boned
With scissors cut washed spinach or chard coarsely. Fry onions and garlic in heated oil until soft; add greens and cook slowly for about 5 minutes. Place bread in bowl and sprinkle with seasonings. Add greens and beaten egg; mix together well. Season cavity in lamb roast. Stuff and skewer or sew the edges together. Place on rack in uncovered roasting pan. Roast in a moderately slow oven (300 to 350°) allowing 35 to 40 minutes to each pound. Place on heated platter and make gravy.

MEATS

LUCKY TRIMMED TO SAVE YOU DOLLARS

YOU GET MORE GOOD-EATING PER POUND—BECAUSE LUCKY CUTS AWAY WASTE

LAMB RIB CHOPS
(1) the tip of the chine bone. (2) the scraggly, bony "tail"—Lucky cuts them away before weighing. You get meatier chops, chops that fit into your skillet better, that look better on plates and platter.
Genuine Spring Prime Cut **69¢** lb.

RIB ROAST
You get only the "heart of the roast" when you buy at Lucky, because Lucky removes, before weighing (1) the short rib end, and (2) the excess part of the heavy chine bone.
Prime Choice Steer **67¢** lb.

LEG OF LAMB
You don't use the (1) long part of the shank bone, or (2) the excess fat along the side of the leg. You don't pay for them either, when you buy Leg of Lamb at Lucky! Lucky trims away such waste before weighing your roast.
Genuine Spring **75¢** lb.

T-BONE STEAK OR PORTERHOUSE
Lucky cuts away (1) excess bone and gristle at the top of the steak, (2) excess fat, and (3) the fat and stringy, tough end of the steak. You get more tender meat per pound when you buy at Lucky.
Choice Steer **83¢** lb.

LUCKY-TRIMMED MEATS ARE CLOSE-TRIMMED MEATS
LUCKY-TRIMMED MEATS SAVE YOU MONEY!
The tenderest part of the steak, the meatiest part of the chops, the "heart of the roast"—that's what you get every time you buy Lucky's close-trimmed meats. Excess bone, fat, and ragged, scraggly ends are cut away before your meat is weighed. All Lucky meats are aged, U. S. Government Graded AA or A, from grain-fed animals. That's your assurance of tender, juicy, good-eating meats every time you buy. If you don't find more good eating in Lucky's flavorful, top-quality, close-trimmed meat, Lucky will gladly refund DOUBLE YOUR MONEY in cash!

Seven Bookies Draw Huge Fines

San Mateo County Monday garnered \$3000 from seven bookies who previously had pleaded guilty to felony charges in Superior Court. Offenders, were fined \$300 apiece. A two-time offender was given a \$500 fine and one man, who the probation officer said is a four-time offender, was fined \$1000. Probation of one year was provided for each of the seven.

Superior Judge James L. Atteridge fined John Petrini, 35, \$1000, and his co-bookie, Louis M. Bombini, 33, \$500. The two men were arrested Feb. 11 by San Mateo police, in a raid on the San Mateo Billiard Parlor, 201 Railroad Ave.

The five men who were listed as first offenders were arrested in a raid by deputy sheriffs and attorney general's agents at the Emanon Club at the north county line on Jan. 13.

They are James M. Holvey, 47, J. H. Cobb, 47, John J. Kearns, 37, Harry Kankas, 56, and James W. Schmidt, 36, all of San Francisco.

The Emanon Club bookies were sentenced by Judge Aylett R. Cotton.

Chief Probation Officer John S. Cowgill reported that Petrini is a shoemaker by trade but plans to buy a San Mateo tavern. During the past 11 years, he was arrested for bookmaking four times, the first two within the past few years. Each time, Petrini was fined not more than \$250 and has served no time in the county jail.
